

# Pushpinder Singh

Pushpinder9040@gmail.com • (+91) 99158-52814 • <https://github.com/pushpinder13>

## EDUCATION

---

Chitkara University, CUIET | Rajpura, India

B.E in Computer Science

Relevant Courses: Computer Organization, Data Structures, Foundations of Programming, Algorithms & Analysis

## TECHNICAL SKILLS

---

**Programming Languages:** C++, C, OOP'S, Python, Html, CSS, JavaScript, React JS, AI/ML

**Operating Systems:** Windows 10/11, Linux

**Skills:** Business acumen, virtual collaboration, Problem Solving

## PROJECTS

---

**Reel bite: Cinematic Cravings (ongoing):** [pushpinder13/Reelbite\\_cenimatic\\_Craving \(github.com\)](https://github.com/pushpinder13/Reelbite_cenimatic_Craving) **May 2024**

- A high-profile website using HTML, CSS, JavaScript, and React JS with integrated one-click booking.
- Specially designed Exit the plugin Features with discounts.

**Learning:** Innovation features drive engagement, user-centricity, user-experience.

**Wine Quality Prediction:** [pushpinder13/Wine-Quality-Prediction-AIML \(github.com\)](https://github.com/pushpinder13/Wine-Quality-Prediction-AIML) **May 2024**

- Random Forest model for prediction, scoring, and outlier detection using box plot standards.
- Efficiently detected two quality types, with plans to expand capabilities.

**Learning:** Random Forest model, dataset validation and preparation, working under pressure.

**Big Boss Voting Zone:** [pushpinder13/Bigg\\_Boss\\_Project2 \(github.com\)](https://github.com/pushpinder13/Bigg_Boss_Project2) **October 2023**

- Developed a real-world voting Big Boss site accessible across different platforms.
- Created a sign-in page with JavaScript for interactivity and dynamic elements.

**Learning:** User authentication and security, Data management, User experience design.

## PROFESSIONAL EXPERIENCE

---

**AICTE Oasis Infobyte Intern | Hybrid Summer April 2024**

- Intern for Web Development and Designing.

**GirlScirpt Summer of code | Hybrid Summer May 2024**

- Contributor in open-source real-world projects.

## CERTIFICATIONS & ACHIEVEMENTS

---

Introduction to Artificial Intelligence and Machine Learning by Coursera

Fusion Friday ranked 13 by Coding Ninja's | 2023

Campus Ambassador of Extern's Club | 2023 ,2024
